CIRCLE OF SECURITY FOR CARERS

A seven session relationship-based parenting program to help you better understand your foster child's behavioural and emotional needs, and strengthen your relationship with them. The program is interactive and enjoyable.

TRANSFORMING PAIN AND BUILDING RELATIONSHIPS WITH CHILDREN IN CARE USING THE POWER OF P.A.C.E

This session will provide participants with a clear explanation and reasons for the use of Playfulness, Acceptance, Curiosity, and Empathy (P.A.C.E.) with children who have experienced trauma and abuse. You will leave the session with greater confidence to build relationships and support children emotionally using this approach. DVD footage, demonstrations, opportunities for skill development, and role plays will be provided.

Supporting you & the wonderful job that you do!
